## Conference Details

**Accommodations:** There are 30 rooms available for double occupancy (two queen beds) and 10 for single occupancy (one queen bed) in the three Lodges reserved at the 7A Resort. There will also be additional space available, beyond the Lodge accommodations, but room and bed specifics vary in this additional space. Family rooms can be accommodated but it is imperative to book early to reserve a room. Linens, towels, and washcloths will be provided at the Lodge.

**Meals:** Breakfast, lunch, and dinner will be served during the conference. Each meal will be separately priced for commuters. If you have any special dietary needs, please be sure to identify them when registering so the caterer can try to accommodate you.

**Transportation:** The nearest airport is Austin–Bergstrom International Airport (AUS). Public transportation is limited in most Texas markets as most natives have cars. The Austin host committee will make their best effort to provide free ground transportation for those at need and insure smooth ground transportation for all others but we ask that you provide prior notice in order for us to accommodate such needs. It is imperative that you provide good contact information and communicate with your host regarding your travel plans.

Please communicate any requests including, but not limited to, transportation, whether by shuttle, cab, or utilization of free host shuttle, dietary needs, and or anything else by emailing: [waconference2011@workaholics-anonymous.org](mailto:waconference2011@workaholics-anonymous.org)  
If you have something that requires speaking with someone, please contact WA Facilitator. Drew. D. at (512) 826-4686
